The Miniature Apple Tree

Solo

Coronet[®]

The Miniature Apple Tree

-  **Patio, Garden or Balcony**
-  **Fruits in first year**
-  **Remains Miniature**

Planting

Prepare a hole twice the size of the pot. Drive in tree stake a little off centre. Tease out any matted roots. With top of compost 15mm above surrounding soil tie tree firmly to stake.

Planting in pots

Pots should be at least 25 litre. Plant firmly in fertilised compost.

Plant passport IRL/DAFF/8653/ZP(b) 2
